

[Your Logo Here]

We partner with one of the UK's most reliable WordPress support and maintenance providers to host and maintain your website properly - giving you complete peace of mind that your website is being taken care of.

Hosting, maintenance, content updates, and support – all for one clear, fixed price with [WPMaintain.co.uk](https://www.wpmaintain.co.uk)

WordPress hosting

WPMaintain's fast UK WordPress hosting makes your website smarter, faster and more efficient, making it work harder for your business. Exceptional security, flexible scalability, and a knowledgeable team you can rely on for bugs, updates, and more.

Unlimited content updates

Add new blog posts, new pages, or new content to your site whenever you want without delay. Simply email WPMaintain with your content requests and their team will handle it, saving you time and hassle every month.

Proactive maintenance

Prevent issues before they happen with 24/7 security, including daily backups and round-the-clock malware protection. WPMaintain will also proactively update all of your plugins ensuring your site is always up-to-date and protected against potential threats.

+ ongoing support from a helpful, friendly and patient team of WordPress experts.

Why we partner with WPMaintain

We believe WPMaintain are the perfect fit for any SME looking to work with a reliable and trustworthy website maintenance provider. We trust that WPMaintain will look after your website and give you peace of mind that all the important things are taken care of - daily backups, security, plugin updates, and even updating your content for you.

With their proven track record and positive reviews online, we know the websites we build for our clients are looked after professionally by the WPMaintain team.
